

Hello all,

I have had a little play around with class statistics and I was surprised to discover that despite a number of class cancellations last year FunDancing was actually running for 50 weeks!

But of course that wouldn't have happen without the support of our lovely FunDancing hostesses, and all of you who continue to come to classes so thank you so much everyone.

I am looking forward to more fun stuff to come

See you in class J x

NEWS

What's is in store for 2019?

Regular post class socials and themed weeks.

Themed weeks to include Weather / Seasons and revisiting ABBA, Grease, Cats, etc.

More technique classes, more new routines infact more of everything that will help to keep you all fit, healthy and happy

Well I will try! :-)

Themed weeks & post class socials

This is my suggestion - the end of every other month a themed class with a social (let me know if you agree), for example:

- Feb - Weather & social
- April - ABBA & social
- June - Grease & social
- August - Weather & social
- October - Cats & social
- December - Christmas & social

Missing Weather /Season Routines

Those routines still to be choreographed or shown to me Before the end of February, please.
